

APPRENTICESHIP LOCAL & NATIONAL CONTACTS

SEE BELOW A LIST OF CONTACTS THAT MAY BE TAKING ON APPRENTICES THIS SUMMER / YEAR (this list will be updated every 3 Years)

Try using the contacts below to find out if they have any apprenticeship or training vacancies that will start in July onwards, or if they know of any such vacancies that are likely to arise in the future. Telephone, email, write a letter, send your CV with a covering letter, use the company websites, google companies of interest etc. to try to find out his information.

Please be aware that this list has been put together to try to help you in your search for apprenticeship vacancies. I am not claiming that these companies do have vacancies at present and you may even find that some are no longer in existence as this list will only be updated yearly – however I think it is worth trying to contact them just in case.

Vicki Banbrook – Careers Adviser

***Use www.apprenticeships.gov.uk – The Government’s main apprenticeship site – Search for vacancies and apply**

Various apprenticeships may be on offer with these companies, training providers, or through these general websites – Some companies or providers may specialise in one area e.g. British Gas may offer gas engineering apprenticeships but also offer apprenticeships in business or I.T. etc.
