ST PAUL'S ACADEMY

St. Paul's Academy

The leadership team has maintained the good quality of education in the school since the previous inspection..... teachers now use assessment information to plan activities which provide pupils with stretch and challenge, particularly the most able.... pupils report that bullying is rare and that staff deal with any concerns effectively.

Ofsted 2017

St Paul's is an outstanding Catholic School pastoral care is a significant strength of the Academy. It inspires pupils to respond respectfully and willingly to the mission of service to others. The Academy is totally inclusive of pupils with different strengths and challenges and offers unstinting support to their families.

School report

- ❑ You will receive electronically three school reports a year. These will outline your child's attitude and attainment in that subject, as well as how well they are meeting working deadlines and how they are working outside the classroom (homework).
- ❑ These will be stuck in the school planner as your child receives them throughout the year. Areas for development that will assist their progress.

The report is based on numbers 1 - 5

The numbers mean:

1 = significantly above expectation

2 = above expectation

3 = expectation

4 = below expectation

5 = significantly below expectation
